[Two students are on the iPads at their desk playing the Kodable App]

STUDENT 1: And this way.

[Background voices: It worked, it worked]

STUDENT 1: and then down

[Students are moving together on their own individual iPad following Student 1's instructions.]

STUDENT 2: Ok down

STUDENT 1: And then

STUDENT 2: and then

STUDENT 2: This way [Points finger to the right]

STUDENT 1: yah

[Video shows students using the Kodable App on the SMARTboard.]

[Video zooms to a boy and girl sitting at their desks collaborating together using the Kodable App.]

FEMALE STUDENT: Then I can't go up.

MALE STUDENT: Because you went down instead of up.

[Male student points to the steps where the female student has put her arrows for the program to follow when the play button is pressed.]

MALE STUDENT: Change that [Student points to arrow in the steps] to up.

FEMALE STUDENT: Go this way, right?

MALE STUDENT: Then

[Male student presses the Play button and female student watches the program run.]
